JANUARY 2016

George brought his boss home for dinner. As he helped his wife in the kitchen, he entrusted his employer to his five year old son in the living room. As they sat there, the silence became a bit awkward. George, Jr. then spoke up, "So, my Dad says you're a self-made man." The boss sat up with pride and replied—"Why, yes I am." George asked, "If you're a self made man, then why did you make yourself the way you are?"

There is that part of us that likes to think we've arrived where we are in our success as a result of our own doing. But truth be known, the only reason we've scored a run is because we've been born on third base. Think about the advantages you've had to get you where you are. Maybe you were born into a healthy family where you learned what it meant to be safe and cared for. Maybe you had the benefits of a good education. Maybe you were fortunate to have mentors who taught by good example and gave you opportunities to get a foot up in the world. Maybe you have skills and abilities that are above average. Maybe you found yourself at the right place at the right time. Maybe you have a strong work ethic that drives you. There are hundreds of "maybes" that come into play in our lives, but none of them are of our own making.

We are who we are and we have what we have because we've been blessed by God. He is the giver of every good and perfect gift. To be sure the words "good" and "success" are relative terms seen in the context of God's perspective and the world's point of view. There are those who own virtually nothing yet who know themselves to be among the most blessed because they see themselves enveloped in the goodness of the Lord. You see its not the size of the gift that has value, it is the realization of the love which the gift has been given that makes it a treasure.

A basic tenet of our faith is found in Psalm 24, "The earth is the Lord's and the fullness there of, the world and all that dwells in it." There is nothing about us that is self made. Every good thing we enjoy in life is God made and God given. Yes, we work hard and achieve earthly successes—but it is only by God's initiative and grace that we persevere. God gave us the resources, the tools, the knowledge, the energy, the opportunities to succeed. Therefore the fruits of our life really belong to him—our family, our service, our worship, our work.

At every turn, God takes the initiative in us. Our duty is to respond in an appropriate manner, in a way that points back to him and gives him the praise. We are stewards of the mysteries of God, handling the things of God with great care. And at the same time, we are stewards of the blessings of God called to use those things entrusted to our care in the right way. That reality raises some questions about discipleship. Am I using my time in a way that pleases God? Am I using my resources to further the work of Christ's kingdom? Am I being to others who Jesus has been to me? Having received grace, am I being gracious? Having been forgiven am I willing to forgive others? Having been loved with all my imperfections, am I willing to love and accept those who are not perfect? By the way I live my life, can the world see that I have been created in the image of God—and does that reflection brighten the darkness of the world?

As you begin this New Year, take stock of the ways you've been blessed. Take an inventory of those things that have been entrusted to your care. And then seek God's guidance as to how you can share them faithfully by being a blessing to others.....

In Christ's love,

## 2016 Per Capita Update

Per Capita, literally “per head”, is the amount requested from each member to cover the administrative expenses of the General Assembly, Synod and Presbytery. For 2016, that amount is \$28.20 per member on the active roll. That breaks down to: General Assembly—\$7.12, Synod—\$2.30, and Presbytery—\$18.78. The Session has taken action to withhold all per capita to General Assembly with the exception of contributions given with specific designation to it. Per Capita sent to support Synod and Presbytery is NOT used to support the General Assembly. For this reason, the session sees that those funds are paid unless you request that your share not be. Your box of offering envelopes included a letter explaining your options with regards to your per capita. If you have questions or need a copy of the letter, please contact the church office or see Pastor Monroe. We want to honor your intentions for your gifts to the work of the church.

Since 1990, young people have been leading the charge and inspiring others to collect dollars and food around the time of the BIG Game. The money and food collected then is given, 100%, to a local charity. More than \$110 million has been collected, changing the nation's largest weekend of football into the largest weekend of caring. We will receive our Souper Bowl of Caring Offering Sunday, February 7th during morning worship. One hundred percent of these gifts will be sent to the ICCAP Food Bank.

## Minute for Mission—*Presbytery of Charleston-Atlantic*

The Rev. Alonza Washington was in the middle of Vacation Bible School at Wallingford Presbyterian Church in Charleston, South Carolina, when he heard about the shooting at Emanuel African Methodist Episcopal Church just down the street. Three men and six women were gunned down while attending a prayer meeting. A 21-year-old white man, Dylann Storm Roof, was later arrested. For Washington, the shooting was personal. "I knew the pastor, Rev. Clementa Pinckney, very well. We were good friends and colleagues," said Washington. "I've worshipped at Emanuel, preached there and our congregation has family there."

Washington knows all too well how to respond to crises in a community. The pastor serves as part of the Presbyterian Disaster Assistance National Response Team. The team is called upon in times of natural and human-caused disasters. Like many Charleston ministers, Washington was at Emanuel the next morning to pray with and minister to family members and others who gathered at a prayer vigil to remember the nine victims. The pastor said there was an overflowing crowd of clergy, elected officials and others speaking out against gun violence and the need for whites, blacks, poor and wealthy to speak with one voice. "What really echoed to me is that despite this evil act, God is going to raise us up and help us stand together," Washington said. "Our legislature has not done a good job of raising the consciousness toward gun violence. The legislators attending the vigil say we are going to have to change that."

Despite the knowledge that it was likely a "hate crime," Washington said he has already seen many signs that give him reason for hope, including a young white mother bringing her daughter to leave flowers at a memorial outside the church building. "To see a young mother talking to her child about what has happened gives me great hope that despite the tragedy, we can heal," he said. "It's going to take our young people, both white and black, to join together in love and unity." PC(USA) leaders offered a prayer saying "...we pray for an end to the continued racial unrest and violence that permeates the United States and the world, and ask you (God) to guide us to work earnestly for change." "My hope is God will use this incident to encourage the church to stand up and draw people together", Washington said. There must be peace and justice, and we must seek to live in the right relationship with God and one another."
